

Certifications and Compliance

Plant certifications, licences and lending

Certifications

- IATF 16949:2016 certified March 2026, certificate number IN 26 04471, valid to March 2029.
- ISO 14001:2015 certified September 2025.
- RoHS and REACH declarations on file for every shipped part number.

Plant approvals

Factories Act registration for the Kurichi unit, consent to operate from the Tamil Nadu Pollution Control Board valid to March 2028, and a hazardous waste authorisation covering plating chemical handling for the planned in house line.

Borrowings

A machinery term loan of Rs 2.10 crore outstanding, secured on the moulding and stamping equipment, repayable to November 2029. The lender holds a warrant for 7 percent, which is reflected in the cap table.

Litigation

None. No customer claim, no supplier dispute and no labour matter pending.
