

Fisheries Dept Subsidy Order

Department of Fisheries, Government of Kerala

The order

Government order reference GO Rt 412 2025 FISH dated 8 September 2025, sanctioning a 75 percent subsidy on approved marine safety communication equipment for registered mechanised fishing vessels, subject to an annual budget ceiling.

Kadal's position

The KS 100 was included on the approved equipment list on 22 September 2025 after technical evaluation. Owner contribution is Rs 3,625 against the Rs 14,500 list price.

Settlement

The subsidy portion is claimed by the company against installation certificates counter signed by the harbour society. Median settlement time from claim to receipt has been 68 days. Rs 1.14 crore is outstanding as at 30 June 2026.

Budget risk

The scheme is renewed annually in the state budget. The FY27 allocation was Rs 9 crore against Rs 14 crore requested. There is no assurance of continuation beyond FY27, and no revenue after March 2027 in the financial model assumes it.
