

Founder Agreement

Founders agreement, executed May 2023

Parties and roles

Sujith Kumar as Chief Executive Officer, Anas Rahman as Chief Technology Officer, and Lakshmi Menon as Head of Field Operations, with defined decision rights for each.

Equity and vesting

Founder shareholding of 35, 30 and 9 percent respectively, vesting over 48 months from 1 May 2023 with a 12 month cliff. As at 31 July 2026, 81 percent of founder equity has vested.

Leaver provisions

A good leaver retains vested shares. A bad leaver, defined as termination for cause or a breach of the restrictive covenants, forfeits unvested shares and sells vested shares back at the lower of cost and fair value.

Restrictive covenants

Non compete in marine communications equipment for 18 months after exit, limited to India, and non solicitation of employees and customers for 24 months.

Deadlock

Any deadlock between the founders is referred first to the board, and failing resolution within 30 days, to a single arbitrator in Ernakulam under the Arbitration and Conciliation Act 1996.
