

Founding Team

Founders and key hires

Sarva Health AI was founded in 2025 and is based in Kozhikode. The founding team is set out below, with the background relevant to this business.

Clinician founder, Co-founder and CEO

Practised for seven years, wrote several thousand discharge summaries by hand.

NLP lead, Co-founder and CTO

Clinical language models, previously at a health records company.

Operations lead, Co-founder

Hospital operations, ran medical records for a 300 bed hospital.

How the team divides the work

Clinician founder	Commercial, fundraising and the board
NLP lead	Product, operations and delivery
Operations lead	The function named in the role above, reporting to the CEO
Decisions requiring both founders	Hiring above a defined band, pricing changes, any commitment over Rs 10 lakh

Working history

The founders have worked together since before incorporation and hold vesting schedules running to 48 months from the date of the founders agreement. No founder has left and no founder holds an outside operating role.
