

Aviation Insurance Certificate

Public liability and hull cover

Policy

Public liability cover of Rs 5 crore per occurrence for unmanned aircraft operations, policy number UAV 2026 114872, valid 1 April 2026 to 31 March 2027.

Hull cover

All three airframes and their payloads are insured at replacement value, aggregate Rs 46 lakh, with a Rs 50,000 excess per claim.

Exclusions

Cover excludes operations outside DGCA permissions, night operations without specific approval, and operations in red zones. Every flight plan is checked against the policy conditions before dispatch.

Claims history

One claim in FY26 for a payload gimbal damaged during transport, settled at Rs 1.9 lakh. No liability claim has ever been made against the company.
