Company summary, August 2026

What they do

Discharge summary generation for Indian hospitals, English and Malayalam.

Where the business stands

Programme	Business Incubation Programme
Hospitals live	5
Summaries generated per month	9,400
Annualised revenue	Rs 1.44 crore
Time per summary	6 minutes, from 34
Raising	Rs 8.0 crore seed
Gross margin	71 percent
Monthly burn	Rs 13.6 lakh

Risks the company states itself

- Clinician acceptance without edit is 89 percent and has to keep climbing.
- Hospital information system vendors could bundle this.
- Malayalam output accuracy trails English and is checked more heavily.
