

Port Authority Work Order

Cochin Port Authority, work order and scope

Work order

Reference CPA ENG 2026 0219, issued 4 March 2026 for structural inspection of wharf 4 and associated crane infrastructure. Value Rs 6.40 lakh across two cycles.

Scope of work

Two inspection cycles, March and June 2026, each covering 380 metres of quay structure, two quay cranes, fendering and bollards. Deliverables are a defect register, an orthomosaic, and a change report from cycle two onward.

Performance to date

Both cycles delivered on schedule. Cycle 1 report accepted 21 March, cycle 2 report accepted 17 June. Payment received against both invoices within 45 days.

Renewal position

The port has indicated an intent to move to a four cycle annual retainer covering wharves 3, 4 and 5 from Q3 FY27. Indicative value Rs 18 lakh a year. Not yet signed and not counted in any forecast in this data room.
